

Allure Fishing

Learn how to use “Hard Body” and “Soft Plastic” Lures.

Fishing classes held throughout summer at Tuross Boat shed
or on location by arrangement .

Using the latest techniques and lures.

Fishing short courses, two classes on alternate days.

Just \$20 per session select either or both.

All equipment will be supplied or BYO!

Topics range from knots, equipment selection and setup to modifying lures so
they perform at their best and help stimulate “shut down” fish.

Let us help you specifically target species and tip the scales in your favour.

(Bream, flathead, whiting, mulloway).

(495mm 1.95kg Yellowfin Bream)
