Add up to four corded or wireless Microphones and you have your announcements and Speeches covered. Enough sound power for 20 – 500 people, suits any venue, compact and simple to use. Delivery and setup included in the price of hire.

VENUE LIGHTING AND SPECIAL EFFECTS

Lighting – Nothing dresses up a venue than speciality lighting. Whether you're after the classic mirror ball, the latest in Lasers and LED effects, or pro-quality intelligent stage lighting, Tuross lighting has it – and at the best price on the south coast.

If it's for a party in your backyard or fitting out a stunning wedding, our range and variety will meet and exceed your needs. Our experts may even give you ideas you hadn't thought of yet.

Industry-leading brands like American DJ, Pure Reliability, and our exclusive Light Emotion label are stocked – meaning there's choice, whatever your budget.

Lasers to excite the dance floor, special wall effects. Starbursts Lasers will set the mood with millions of little stars & Butterflies on the dance floor for the Wedding Waltz with a difference. Static or moving displays available, from subtle backdrop to the raging full on dance floor display. Delivery and setup included in hire price.

LED PARCANS- Turn your ceiling any colour you desire – Spot your tables from above and slowly have them change colours, feature the bridal table, mood light the walls, highlight the garden, a million reasons to use LED parcans. Set them on automatic to change with the beat of the music on the dance floor. Highlight the deck, entrance, walkway, bridle table or speech area.

Strobes Bring back the eighties !!! these strobe lights are powerful enough to have your party or wedding Rocking – Imagine entering through a cloud of smoke with strobes silhouetting you both, strobes give that futuristic mood when combined with our smoke & mist machines. Slow strobe your trees around the venue for that extra special touch, the limitation are endless.
