

Tuross Head Rural Fire Brigade

February/March 2008

At the recent March meeting of your Brigade another four members were congratulated for finally receiving their Certificates as being “assessed as meeting the performance criteria to be qualified in Village Firefighter 2003”. It has been a long haul for Keith, Tim, Tony and myself, but now you can all rest a little bit more easily as another four of us now officially know what we are doing when we attend your structure fire or motor vehicle accident!

On the action front, over the past month the Brigade has received callouts to three fires at various levels of intensity from a small backyard fire, through a vegetation fire, up to a genuine bush fire. Thanks to Paul, Bob, Keith, Tim, Gordon, Clifford, and Terry for rapidly responding to one or more of these incidents. Fortunately last month’s call for you all to be extra careful on the roads has met resulted in zero callouts to motor vehicle accidents over the past month – keep up the good work. We prefer not to meet up with friends that way!

Lastly you are once again reminded that your Brigade is still open to new members. So if you are over 18 please feel free to join us here in Drake Street. Training is held Wednesday evening from 5:30 to 7:30 and from 9am to noon, the first Saturday morning of each month.
